CL Series

Compact Scales

With basic weighing and a simple two-button keypad, there's no reason to settle for other brands when you can have an OHAUS scale!

The OHAUS CL Compact Scale is a lightweight, portable scale perfectly suited for use in industrial, jewelry and home use applications. Applications can include quality control, formulation, soil sampling, jewelry, postal weighing and dietary weighing.

Standard Features Include:

- **Superior RF Protection** – The CL is designed with superior RF protection to deliver accurate and stable results when used in production areas or near cell phones. Approvals for electrical and emissions include CE listed and FCC Class B Part 15 operation.

- **Large Weighing Platform** – The CL is designed with a large weighing platform and can adequately handle large samples including oversized letters.

- **Stackable Design with Integrated Shipping Lock** – The CL has a low profile and storage is made easy with a stackable design. The integrated load cell lock protects the weighing cell from damage during storage or transportation.
